PROFILE

Computer Science graduate with a strong focus on Full-Stack Web Development, specializing in React for frontend development and .NET for backend development. Passionate about building clean, responsive web applications and eager to apply my technical skills in real-world software projects.

INTERNSHIPS

Route Academy, Frontend Web Development Diploma 09/2025 – 03/2026
Completed frontend development training focused on building responsive and user-friendly web interfaces using React, JavaScript, HTML, and CSS.

Route Academy, Backend Web Development Diploma 05/2026
- Backend development training focused on building RESTful APIs and server-side applications using C#, .NET, databases, and authentication basics

ITI – Information Technology Institute, Summer Code Camp – React Frontend Development 2026
- Completed intensive training in React and modern frontend development.
- Developed responsive web applications using React, JavaScript, HTML, and CSS.
- Applied component-based architecture and modern frontend development practices.

EDUCATION

Future Academy, BA / Computer And Information Science 2023 – 2026 | cairo, Egypt
- Grade: very good

TECHNOLOGIES

Frontend Framework (React) | **Backend Framework** (.Net • Asp .Net Core) | **Database** (MySQL • SQL Server) | **Others** (OOP • JavaScript • TypeScript • C# • SQL • HTML5 • CSS3 • Bootstrap • Tailwind CSS • React Router • RESTful APIs • JWT • Git • GitHub • Postman)

COURSES

Full-Stack Web Development, Route Academy 2025 – 2026
- Gained hands-on experience in building full-stack web applications using React and .NET.
- Built responsive user interfaces and connected them to backend APIs.
- Developed practical skills in RESTful APIs, authentication, database integration, and frontend-backend communication.

PERSONAL SKILLS

Skills

- Communication Skills
- Problem-Solving
- Teamwork
- Time Management
- Adaptability
- Attention to Detail

PROJECTS

Fresh Cart – E-Commerce Web Application ,

Next.js E-Commerce Application | React, TypeScript, Tailwind CSS

- Developed a responsive e-commerce web application using Next.js, React, TypeScript, and Tailwind CSS.
- Implemented product browsing, categories, brands, product details, shopping cart, and wishlist features.
- Integrated user authentication using NextAuth and built reusable UI components for a maintainable frontend architecture.

Social App – Social Media Web Application , *React Social Media Application | React, Vite, Tailwind CSS*

- Developed a responsive social media web application using React, Vite, and Tailwind CSS.
- Implemented user authentication, post creation, editing and deletion, post details, comments, and replies.
- Integrated REST APIs using Axios and managed server state and data fetching with TanStack React Query.
